 @joydeba  410 Stensrud Rd #118, Saskatoon  306 914 6212

Career Objectives

- My research focuses on **AI assisted software maintenance**, with the goal of delivering **issue free software on the versions people actually use**. I pursue and continue work in legacy system monitoring, technical debt management, continuous maintenance, cybersecurity maintenance, resource optimization, and software sustainability, in close collaboration with industry. I also train the next generation of computing professionals through teaching, and I aim to expand that impact further.

Education

- 2020/24 ■ **Doctor of Philosophy, Computer Science/Software Engineering**, University of Saskatchewan, Canada. Thesis titled *Automated Backporting for Efficient Version Management in Software Repositories*. Advisors Prof. Dr. Chanchal K. Roy and Prof. Dr. Kevin Schneider. January 2020 to December 2024. Course mark 89%. Awards include Carl McCrosky Innovation Scholarship for Graduate Studies (2023), GSA Mark Kroeker Exceptional Student Leadership Award (2023), Ph.D. Citizenship Award (2024), Education Graduate Award from Friends Club of Saskatoon (2024) for remarkable contribution in research and innovation, Faculty/Departmental Scholarship, SOAR, SEMLA, and CSGC Best Poster Awards, Ivan and Margaret Toutloff Award, and Graduate Travel Awards (Seattle, Melbourne, Montreal).
- 2017/19 ■ **Master of Science, Computer Science/Big Data**, University of Saskatchewan, Canada. Thesis titled *An Intermediate Data-driven Methodology for Scientific Workflow Management System to Support Reusability*. Advisors Prof. Dr. Chanchal K. Roy and Prof. Dr. Kevin Schneider. September 2017 to November 2019 (thesis defended 12 November 2019, requirements completed 23 November 2019). Course mark 89%. Awards Saskatchewan Innovation and Opportunity Scholarship and University of Saskatchewan Faculty Stipend.
- 2008/12 ■ **Bachelor of Science, Computer Science and Engineering**, Khulna University, Bangladesh. Thesis titled *Web Service Performance Enhancement for Portable Devices Modifying SOAP Security Principle*. Supervisor Dr. Masud Rahman. January 2008 to May 2012. CGPA 3.73/4.00 (1st class 3rd). **Class Representative** (Term 3.1), CSE Discipline. Awards Innovation Award, Khulna University, Dean's Merit Scholarship / Merit List Scholarships (2008 to 2012), 3rd place at Digital Innovation Fair, Khulna (2010) for Geographic Information System Website and Khulna City Corporation Holding Tax Management System, and contestant of Citi Financial IT Case Competition (organized by D.Net, 2010). Coursework projects include Simple Arithmetic Evaluation (Java), Mobile Photo Editor (J2ME), Geographic Information System Website, Khulna City Corporation Holding Tax Management System, KU Alumni Website, E-library Website, and Reunion website (PHP).
- 2006 ■ **Higher Secondary Certificate (H.S.C.), Science**, Police Line School and College, Rangpur, Bangladesh (Rajshahi Board).
- 2004 ■ **Secondary School Certificate (S.S.C.), Science**, Gayabari School and College, Dimla, Nilphamari, Bangladesh (Rajshahi Board). Recognized among the **top 10 students in Dimla Upazila** for the S.S.C. result. **Winner**, Dimla Upazila general knowledge competition (Grade 9 / Class IX), as part of a **4-person team**.

Under Submission / In Preparation

- 1 **Chakroborti, D.** (2026a). An insight into backporting changes: An empirical study with pull-based development. In *(to be submitted)*. To be submitted.
- 2 **Chakroborti, D.** (2026c). Beyond correctness: Technical debt and carbon footprint of LLM-agent versus human backports. In *(to be submitted)*. To be submitted.
- 3 **Chakroborti, D.** (2026d). BranchBench and BranchBridge: Patch-level evaluation for CVE backport adaptation. In *(to be submitted)*. To be submitted.

Books and Chapters

- 1 **Chakroborti, D.**, Roy, B., Mondal, A., Mostaeen, G., Roy, C. K., Schneider, K. A., & Deters, R. (2020). A data management scheme for micro-level modular computation-intensive programs in big data platforms. In R. Alhaji, M. Moshirpour, & B. Far (Eds.), *Data management and analysis: Case studies in education, healthcare and beyond* (pp. 135–153). doi:10.1007/978-3-030-32587-9_9

Posters

- 1 **Chakroborti, D.**, Roy, C. K., & Schneider, K. A. (2022). Backporting for version management: Automated changesets integration in software repositories. In *Symposium on software engineering for machine learning applications (SEMLA)*. Best Poster (3rd).
- 2 Tasnim, J., **Chakroborti, D.**, Roy, C. K., Schneider, K. A., & Mondal, M. (2022). Detecting and visualizing quality aspects in backporting pull requests. In *Symposium on innovations in computer science and applied computing (ICSAC)*. Best Poster (2nd).
- 3 **Chakroborti, D.**, Roy, C. K., & Schneider, K. A. (2021). Identifying and integrating changesets in backporting. In *The annual software analytics research (SOAR) symposium*. Best Poster.

Talks, Posters & Conference Visits

- 2025 ■ **CASCON 2025** (York University, Toronto, Canada). Conference talk on the technical debt fix trade off in software backporting (IEEE CASCON 2025 paper with Tasnim, Roy, and Schneider). Supported by Saskatchewan Polytechnic Professional Development funding.
- 2023 ■ **ICSE 2023** (Melbourne, Australia). Poster presentation *How Quality Deviates in Stable Releases through Backporting* (ICSE 2023 / NIER related work with Tasnim, Roy, and Schneider). Attended the main conference and co located events (14 to 20 May 2023). Graduate travel award support.

Talks, Posters & Conference Visits (continued)

- 2022a ■ **SEMLA 2022** (Polytechnique Montréal, Montréal, Canada). Poster presentation *Backporting for Version Management* (Best Poster, 3rd). Graduate travel award support.
- 2022b ■ **ICPC 2022** (co located with ICSE 2022). Conference talk *Backports Change Types, Challenges and Strategies* (research paper with Schneider and Roy). Presented in the scheduled ICPC program session.
- 2021 ■ **SOAR Symposium 2021** (University of Saskatchewan). Poster presentation *Identifying and Integrating Changesets in Backporting* (Best Poster).
- Local ■ **CSGC Research Fest / ICSAC**. Distinguished speaker recognition for a Research Fest talk. Also Lead Organizer for the 7th ICSAC / Research Fest.
- 2018 ■ **IEEE Big Data 2018** (Seattle, WA, USA). Conference talk *Optimized Storing of Workflow Outputs through Mining Association Rules* (primary author). Presentation, 10 to 13 December 2018. Graduate travel bursary support.
- 2017 ■ **ICCIT 2017** (University of Asia Pacific, Dhaka, Bangladesh). Conference talk *Web Service Performance Enhancement for Portable Devices Modifying SOAP Security Principle* (with Nath). 20th International Conference on Computer and Information Technology, 22 to 24 December 2017.
- 2015 ■ **ICCIT 2015** (Military Institute of Science and Technology, Dhaka, Bangladesh). Conference talk *Trust Based D2D Communications for Accessing Services in Internet of Things* (with Bairagi). 18th International Conference on Computer and Information Technology, 21 to 23 December 2015.

Research Grants & Funding

- Ongoing ■ **NSERC Alliance Advantage Grant**. Postdoctoral Fellow. Contributing research as a Living Skies Postdoctoral Fellow on an NSERC Alliance Advantage project (industry academia collaboration).
- 2025/26 ■ **Cloud Linux Software Consultancy Fund**. AI Automation Consultant. Industry consulting on AI based automated backporting tooling.
- 2025 ■ **Saskatchewan Polytechnic Professional Development Fund**. Faculty PD support to present research at a conference in Toronto.
- Support ■ **Funding application support**. Proposal contributor. Assisted M.Sc. mentor with drafting a portion of a research funding application.

Media Mentions & Publicity

- 2023 ■ **USask Computer Science news**. Featured among Graduate Student Award Recipients (Carl McCrosky Innovation Scholarship). <https://www.cs.usask.ca/news/2023/graduate-student-award-recipients.php>
- Lab ■ **Software Research Lab (SRLab) awards**. Listed for Ph.D. Citizenship Award (2024), McCrosky Scholarship (2023), GSA Mark Kroeker Exceptional Student Leadership Award (2023), and Saskatchewan Innovation and Opportunity Scholarship (Ph.D., 2019). <https://srlab.usask.ca/awards/>
- CSGC ■ **Computer Science Graduate Council**. Listed as CSGC President (and earlier VP Social) on previous committees. <https://csgc.usask.ca/previous-committees/>
- LinkedIn ■ **LinkedIn features / announcements**. McCrosky Scholarship announcement. Ph.D. Citizenship Award share of CS news. CSGC/ICSAC Research Fest leadership. CASCON paper acceptance. ICSE Companion paper share. Profile at <https://www.linkedin.com/in/joydeba/>
- Thesis ■ **USask Spring Convocation 2025**. Listed for Doctor of Philosophy (Computer Science). <https://students.usask.ca/documents/convocation/spring-2025.pdf>
- HARVEST ■ **USask HARVEST**. Ph.D. thesis record *Automated Backporting for Efficient Version Management in Software Repositories*. <https://harvest.usask.ca/items/59b8a934-f345-4b99-817d-b104024a5ac9>
- Social ■ **Additional channels**. Further announcements are shared via University of Saskatchewan / Department of Computer Science social accounts and personal LinkedIn, Facebook, and Instagram.

Professional Service

- PC ■ **PC Member**, Mining Software Repositories (MSR 2026). Data/Challenge track. **PC Member**, SOAR Symposium 2025 (University of Saskatchewan).
- Org ■ **Lead Organizer**, 7th Symposium on Innovations in Computer Science and Applied Computing (ICSAC / Research Fest). **Judge**, Research Fest 2025 (Computer Science Graduate Council, Department of Computer Science, USask). **Judge**, Images of Research contest, USask (2024). **Judge**, GSA Graduate Research Elevator Pitch Competition (2024). **Judge**, GSA Graduate Research Conference (2023).
- Journals ■ **Journal of Software Evolution and Process (JSME/SMR)**. Reviewer (2023 to 2024, reviewer certificate for 2023). **Journal of Systems and Software (JSS)**. Reviewer / sub reviewer (2020, 2022, 2025).
- 2026 ■ **ASE 2026**, **FSE 2026**, **ICPC 2026**, and **ICSE 2026 SEIS**. Reviewer / sub reviewer.
- 2025 ■ **CHI 2025** and **SANER 2025**. Reviewer / sub reviewer.
- 2024 ■ **ASE 2024** and **CASCON 2024**. Sub reviewer.
- 2023 ■ **ICSME 2023** and **SANER 2023**. Sub reviewer.
- 2022 ■ **ISEC 2022**. Sub reviewer (multiple papers).

Professional Service (continued)

- 2020 ■ **ASE 2020, ICSE 2020 (Tool Demo), IWSC 2020, and ICSA 2020.** Sub reviewer.
- Internal ■ **Internal manuscript reviews.** Detailed reviews for lab colleagues' drafts (conference/journal submissions and thesis chapters).

Collaborations

- SRLab ■ **Software Research Lab (SRLab)**, University of Saskatchewan. Ongoing research collaboration on AI assisted software maintenance, automated backporting, and software analytics (Ph.D. and Living Skies Postdoctoral Fellowship).
- iSE ■ **Interactive Software Engineering Lab (iSE Lab)**, University of Saskatchewan. Collaboration on scientific workflow / software analytics research and related lab activities.
- Industry ■ **Cloud Linux Software, Inc.** Industry collaboration on AI based automated backporting tooling (AI Automation Consultant). **Push Interactions.** Industry collaboration on web application enhancement (Wilger).
- P2IRC ■ **Plant Phenotyping and Imaging Research Centre (P2IRC)**, University of Saskatchewan / GIFS. Collaboration on scientific data management and imaging tooling (e.g., RISP/RISPTs, InsCount).
- Water ■ **Water Security project** (USask CFREF / water security research collaboration). Collaboration supporting scientific computing and software analytics needs for water security research.

Student Supervision & Mentoring

- M.Sc. ■ **M.Sc. student mentoring.** Mentored **Jarin Tasnim** (University of Saskatchewan) on research related to software backporting and quality analysis (co authored publications).
- UG ■ **Undergraduate summer students.** Supervised 3 undergraduate summer research students.
- TAs ■ **Teaching assistants.** Guided 3 TAs in support of sessional lecturer course **CMPT 145**, Department of Computer Science, University of Saskatchewan (Spring/Summer 2025).

Teaching & Curriculum

- 2024/... ■ **Instructor**, School of Computing and Digital Innovation, Saskatchewan Polytechnic (Regina Campus). **Computer Systems Technology** courses COOS 190 (Server Administration), COOS 294 (Cloud Infrastructure Administration), COOS 295 (Systems Administration 2), COET 295 (Emerging Technologies), CNET 184, CWEB 280, and CMPT 145. **Cloud Computing & Blockchain** courses CCMP 600 to 606, DEVP 600, and PROJ 611.
- Curriculum ■ **Curriculum and lab design** (Saskatchewan Polytechnic). Designed and/or rewrote course and lab materials for most Sask. Poly courses taught (above).
- LIFT ■ **LIFT Certificate Program**, Saskatchewan Polytechnic. Statement of Achievement for Learners, Instruction & Fundamentals of Teaching (**90 hours**, May 2026). Instructional ePortfolio (LIFT 1008) at <https://joydeba.github.io/teaching-materials/lift-eportfolio/>. Statement PDF at <https://joydeba.github.io/teaching-materials/lift-statement-of-achievement.pdf>.
- Dossier ■ **Teaching Dossier.** Philosophy, course portfolio, effectiveness evidence, sample materials, innovation, and continuous improvement. <https://joydeba.github.io/teaching-materials/teaching-dossier.pdf>
- ZJTIE ■ **Selected Faculty Participant**, China Henan (ZJTIE) Transnational Education Project, Saskatchewan Polytechnic (2026). Teaching and conducting labs in person in China, faculty meetings for collaboration, cultural exchange, and preparation for faculty travel abroad (institutional travel training and partnership coordination).
- NIO ■ **New Instructor Orientation (NIO)**, Saskatchewan Polytechnic. Statement of Achievement, 18 hours (14 to 16 Jan 2025). <https://joydeba.github.io/teaching-materials/nio-statement-of-achievement.pdf>
- CETL ■ **1-day Training on Pedagogy** (Induction for the Beginners), Centre of Excellence in Teaching & Learning (CETL) and Institutional Quality Assurance Cell (IQAC), Khulna University (HEQEP). 12 September 2014.
- CETL1 ■ **3-day Training on Pedagogy** (Module 1 Teaching & Learning), Centre of Excellence in Teaching & Learning (CETL) and Institutional Quality Assurance Cell (IQAC), Khulna University (HEQEP). 11 to 13 June 2015. Certificate at <https://joydeba.github.io/teaching-materials/ku-cetl-pedagogy-2015.jpg>.
- CETL2 ■ **2-day Training on Pedagogy** (Module II Teaching & Learning), Centre of Excellence in Teaching & Learning (CETL) and Institutional Quality Assurance Cell (IQAC), Khulna University (HEQEP). 30 to 31 December 2016.
- GTI ■ **14th Foundation Training for University Teachers (FTUT)**, Graduate Training Institute (GTI), Bangladesh Agricultural University, Mymensingh (UGC sponsored). 150 hours, 24 May to 22 June 2014. Nominated as Lecturer, CSE, Khulna University. Certificate at <https://joydeba.github.io/teaching-materials/gti-ftut-14th-certificate.jpg>. Course modules at <https://joydeba.github.io/teaching-materials/gti-ftut-14th-course-modules.jpg>.
- 2025 ■ **Sessional Lecturer**, Department of Computer Science, University of Saskatchewan. **CMPT 145.3** Principles of Computer Science (Spring/Summer 2025, sections MT1 and MT2, CRNs 41442 and 60860). Guided 3 TAs.
- SLEQ ■ **Student Learning Experience Questionnaire (SLEQ)**, USask. End of course report for **CMPT 145.01** (CRN 41442, Spr/Sum 2025). Audience 38. Responses 3 (7.9%). **Below Response Threshold** (closed ended scores not released, qualitative comments only). Report at <https://joydeba.github.io/teaching-materials/sleq-cmpt145-2025.pdf>.

Teaching & Curriculum (continued)

- 2017/24 ■ **Teaching Assistant / Student Assistantship**, Department of Computer Science, University of Saskatchewan (PSAC Local 40004). **CMPT 214** (Fall 2023). **CMPT 145** (Summer 2023). **CMPT 370** (Fall 2022). **CMPT 280** (2022, 2023). **CMPT 270** (Fall 2020, Spring 2021, Fall 2021, Spring 2022). **CMPT 141**. Database Management Systems.
- 2014/16 ■ **Part-time Lecturer**, North Western University, Khulna, Bangladesh. Computer Science courses for the BA program.
- 2014/16 ■ **Instructor (Part-time)**, Higher Secondary Teachers' Training Institute (HSTTI), Khulna, Bangladesh. ICT courses for high school teachers.
- 2013/17 ■ **Lecturer**, CSE Discipline, Khulna University, Bangladesh. Courses included Structured Programming, Software Development Project, Advanced Programming Laboratory, and Software Engineering and Information System (lectures, labs, assignments, and exams).

Employment History and Projects

- 2025/26 ■ **Consultant (AI Automation Team), Cloud Linux Software, Inc., USA**. Research advisory on AI based automated backporting tooling.
- 2024/Pres. ■ **Instructor, School of Computing and Digital Innovation, Saskatchewan Polytechnic** (Regina Campus). Computer Systems Technology and Cloud Computing & Blockchain. Selected faculty participant, China Henan (ZJTIE) Transnational Education Project (2026): teaching and conducting labs in person in China, faculty meetings for collaboration, cultural exchange, and preparation for faculty travel abroad (institutional travel training and partnership coordination).
- 2024/Pres. ■ **Living Skies Postdoctoral Fellow, Department of Computer Science, University of Saskatchewan**. NSERC CREATE Software Analytics Research (SOAR) project. Automated software backporting and AI driven development tools.
- 2025 ■ **Sessional Lecturer, Department of Computer Science, University of Saskatchewan**. Taught **CMPT 145.3** Principles of Computer Science (Spring/Summer 2025, MT1 and MT2).
- 2024 ■ **Software Engineer (Intern), Push Interactions**. Enhanced <https://www.wilger.net>.
- 2023 ■ **PhD Intern (Remote), Synesis IT GmbH, Germany**. API planning and big data databases for Traffic Management Intelligent Transportation Systems.
- 2022/24 ■ **GSA Office Web Coordinator (Part-time), Graduate Students' Association, UofS**. Maintained the GSA website at <https://gsa.usask.ca> and added pages for services and events. HTML, JavaScript.
- 2022/24 ■ **Software Engineer (Part-time), Saskatchewan Education Leadership Unit**. Maintained the Placement Application at <https://placement.usask.ca> and developed a matching model for Teacher Candidates and Mentors.
- 2017/24 ■ **TA / RA, M.Sc. and Ph.D., University of Saskatchewan**. Teaching Assistant / Student Assistantship (PSAC 40004) for **CMPT 214** (Fall 2023), **145** (Summer 2023), **370** (Fall 2022), **280** (2022 to 2023), **270** (2020 to 2022), **141**, and Database Management Systems. Plant Phenotyping and Imaging Research Centre and Global Institute for Food Security. Developed **RISP** and **RISPs** data reusability algorithms (Hadoop/Spark). Built SE and imaging tools **Baczer**, **ReBack** (CNN), **BackTrans** (LLM), **BackSlice**, and **InsCount** (UNet).
- 2017/24 ■ **Lecturer (on study leave), CSE Discipline, Khulna University, Bangladesh**. On study leave for graduate studies at the University of Saskatchewan.
- 2013/17 ■ **Lecturer, CSE Discipline, Khulna University, Bangladesh**. Teaching and research. Implemented websites for Khulna University (<https://ku.ac.bd>), ICCIT (<https://iccit.org.bd/2013/>), and the Convocation 2016 Registration Website.
- 2014/16 ■ **Part-time Lecturer, North Western University, Khulna, Bangladesh**. Computer Science courses for the BA program.
- 2014/16 ■ **Instructor (Part-time), Higher Secondary Teachers' Training Institute (HSTTI), Khulna, Bangladesh**. ICT courses for high school teachers.
- 2013 ■ **Software Engineer, Nascenia Limited, Bangladesh** (29 May to 30 September 2013). **SnapKnot** wedding photographer directory (<https://snapknot.com/>). Ruby on Rails, ASP.NET, C#, Git.
- 2012/13 ■ **Software Engineer, Divine IT Limited, Bangladesh**. ERP systems (<https://www.divineit.net>), including Lines Pay, Sphere, Prism, and Centroid. Django, MySQL, PostgreSQL, SQLite, SVN.

Awards, Leadership & Service

- Pubs ■ **23 research items** (2015 to 2026, including under review/submitted) in venues including ICSE, ICPC, MSR, CASCON, ASE Journal, EMSE, EICS, and Big Data.
- 2023/26 ■ **Selected Faculty Participant**, China Henan (ZJTIE) Transnational Education Project, Saskatchewan Polytechnic (2026: teaching and labs in person in China, faculty collaboration meetings, cultural exchange, and travel/partnership preparation). **Ph.D. Citizenship Award 2024**. **Education Graduate Award**, Friends Club of Saskatoon (2024), for remarkable contribution in research and innovation. **Carl McCrosky Innovation Scholarship** (2023). **GSA Mark Kroeker Exceptional Student Leadership Award** (2023).
- 2017/24 ■ **Saskatchewan Innovation and Opportunity Scholarship**. Departmental Scholarship. SOAR Best Poster (2021 symposium). SEMLA / CSGC Best Poster Awards. Ivan and Margaret Toutloff Award. Graduate Travel Awards (Seattle, Melbourne, Montreal).

Awards, Leadership & Service (continued)

- 2008/12 ■ **Innovation Award. Dean's Merit Scholarship** / Merit List Scholarships, Khulna University (2008 to 2012). **3rd place**, Digital Innovation Fair, Khulna (2010), for Geographic Information System Website and Khulna City Corporation Holding Tax Management System. **Contestant**, Citi Financial IT Case Competition (organized by D.Net, 2010). **Honorable Mention**, AUST Inter University Programming Contest (IUPC 2009).
- 2002/04 ■ Recognized among the **top 10 students in Dimla Upazila** for the S.S.C. result (Gayabari School and College, 2004). **Winner**, Dimla Upazila general knowledge competition (Grade 9 / Class IX), as part of a **4-person team**.
- Service ■ **President**, Computer Science Council / CSGC (2022 to 23). Lead Organizer, 7th ICSAC / Research Fest. Distinguished Speaker recognition, CSGC Research Fest. **Judge**, Research Fest 2025 (Computer Science Graduate Council, Department of Computer Science, USask). **Judge**, Images of Research contest, USask (2024). **Judge**, GSA Graduate Research Elevator Pitch Competition (2024). **Judge**, GSA Graduate Research Conference (2023). **Runners-up**, CSGC Game Night 29 (2024). **Champion**, Card 29, Esho Kheli (BSAUS, 2026). **Champion**, Call Bridge, Esho Kheli (BSAUS, 2026). **Runners-up**, Call Bridge, Esho Kheli (2024). VP Social / VP Admin, CSGC UofS. **President**, Huskies Cricket Club (GSA ratified social group, 2023 to 24). **Founder and Captain**, Borno Bangla cricket team. **GWC Runner up Trophy** (first season, 2025). **Best Bowler**, Short Pitch Cricket Tournament (2025). Team member, **champion** team, BCAS T10 Cricket Tournament (2023). Team member, **runners-up** Bangladeshi team, Dakota Dunes Casino Mini Cricket World Cup (2023). Team member, **runners-up** team, BCL Cricket Tournament (2022). Team member, **runners-up** team, cricket tournament organized by Tigers and BSAUS (2018). Team member, **runners-up** team, BCAS Independence Day Football Tournament (2018). **Badminton Doubles Champion**, Khulna University Teachers' Club (2015). VP Social, Bangladeshi Community Association of Saskatoon. VP Events, Bangladeshi Association USask. GSA rep on Associate Dean Students Search Committee and Arts & Science Planning Advisory Committee. Volunteer Lead (Digitized Technology, SSPP).
